

Amanda has

Riggs Family Burying Ground on Locust Grove

Located on Locust Grove, 3415 Brooksville Road,
Brooksville
Locust Hill? 4415 Brooksville Rd.

Present owners: Mr. and Mrs. Thomas K. Nash

The cemetery is owned by the descendants of
Mrs. Kate Riggs Griffith (among them
Mrs. Janet Becker, of Edgell on
Griffith Road)

Mrs. Kate Riggs Griffith, daughter of Dr. Artemas
Riggs, bought the John Hammond Riggs
cemetery, containing 6 square perches,
from Bruce W. Howard & wife, on Sept. 29, 1884,
for 1 dollar. (Liber EBP 32 Folio 170)

According John Beverly Riggs in his history of
the Riggs Family, page 412, there are,
in addition to the marked graves of
John Hammond Riggs and Dr. Artemas
Riggs, at least 15 other burials with
only crude stones or markers. However,
because of the destruction by animals,
vandals and vegetation, not much is
left - only a couple of toppled grave
stones. The cemetery is surrounded by an iron fence.
