Description (markers, materials, arrangement, landscaping, fence, paths and roads, etc.)

located in residential neighborhood.

The cemetery has a few broken stones and one small fenced plot with a tree growing within the fence. Fencing on the north and south sides appear to belong to the homes bordering the cemetery. The road into the church is the only road or path to the cemetery. There are empty areas that may be unmarked graves, but this cannot be determined. Beautiful church and cemetery. Trees + shrubs throughout. Well-tended.
