Cemetery Description:

**DARNESTOWN PRESBYTERIAN
ID # 76**

Large, well-kept cemetery located behind old church. Rectangular space (approx 150 ft x 500 ft) bordered by wrought iron fence. Roughly $\frac{3}{4}$ of existing space contains burials. Remainder is open land (presumably for additional future burials). One main paved path with a perpendicular side path. No negative impacts apparent. Recent residential development nearby. Burials range from early 1800s to present. Markers—both old and new—tend to be well-constructed; some are very ornate (see photos). Layout is orderly, although not in exact rows.
