Dear Warren and Brenda:

This letter is long overdue, and I hope it will begin a working relationship on behalf of your special spot in Rockville.

As you know, Friends Rockville is a nonprofit group dedicated to preserving Rockville history. We have taken the lead in restoring Rockville landmarks such as the B & O Railroad station, Spencer School, and Red Brick Courthouse. Over almost 23 years, we have been fortunate to work with many individuals, businesses, and organizations to identify and preserve buildings, information, and sites that tell the story of Rockville.

Friends Rockville owns and maintains the Poplar Cemetery on New Market Street. It contains gravestones that probably date as far back as the 1830s. We understand the value of this site and which we hold in trust for future generations. Preserving the cemetery and the people who lived there, as well as the landscape and fencing, is a challenge. We have gathered information and gathered information concerning the grounds. We know there is much more to be done in order to improve, maintain, and restore the Cemetery, but we cannot do so until we have your support.

Our City has a wealth of historic resources - buildings, streets, and landscapes. They include the church, courthouses, and homes. All these resources tell the story of the city's growth and the individuals who lived here. Rockville's rich history, from its founding to the present, is a treasure that we must all help to preserve.

Friends Rockville is a nonprofit organization that is dedicated to the preservation of Rockville's historic resources. We are currently working to raise funds to improve, maintain, and restore the Poplar Cemetery, and we need your support to do so.

I hope you will find this information helpful. We would be happy to answer any questions you may have. We would also be happy to meet with you to discuss the cemetery and the city's historic resources. Please contact us at 301-986-1234 or visit our website at www.friendsrockville.org.

Thank you for your interest in Rockville's history. We look forward to working with you to preserve our special spot in Rockville.
