Cemetery Description:

**DUVALL CEMETERY
ID # 169**

According to the current residents of 25137 and 25141 Woodfield School Road, the cemetery reportedly was located in the small wooded area between the two properties, most of which is on the 25137 (east) side. No engraved markers are present. Some stones are located amidst the brush, but it is unclear whether these are fieldstone markers or merely random native rocks. Current resident of 25137 said that a home once stood on the property near the trees but was torn down years ago. A dilapidated barn is located behind the trees.
