RESEARCH

Charles Henry Parker died on August 12, 1915, at the age of 71, and was buried alongside his second and third wives, Carrie May (Navo) Parker (1864-1901) and Anna Mae (Hazen) Parker (1878-1906), in the walled cemetery situated in back of the house.

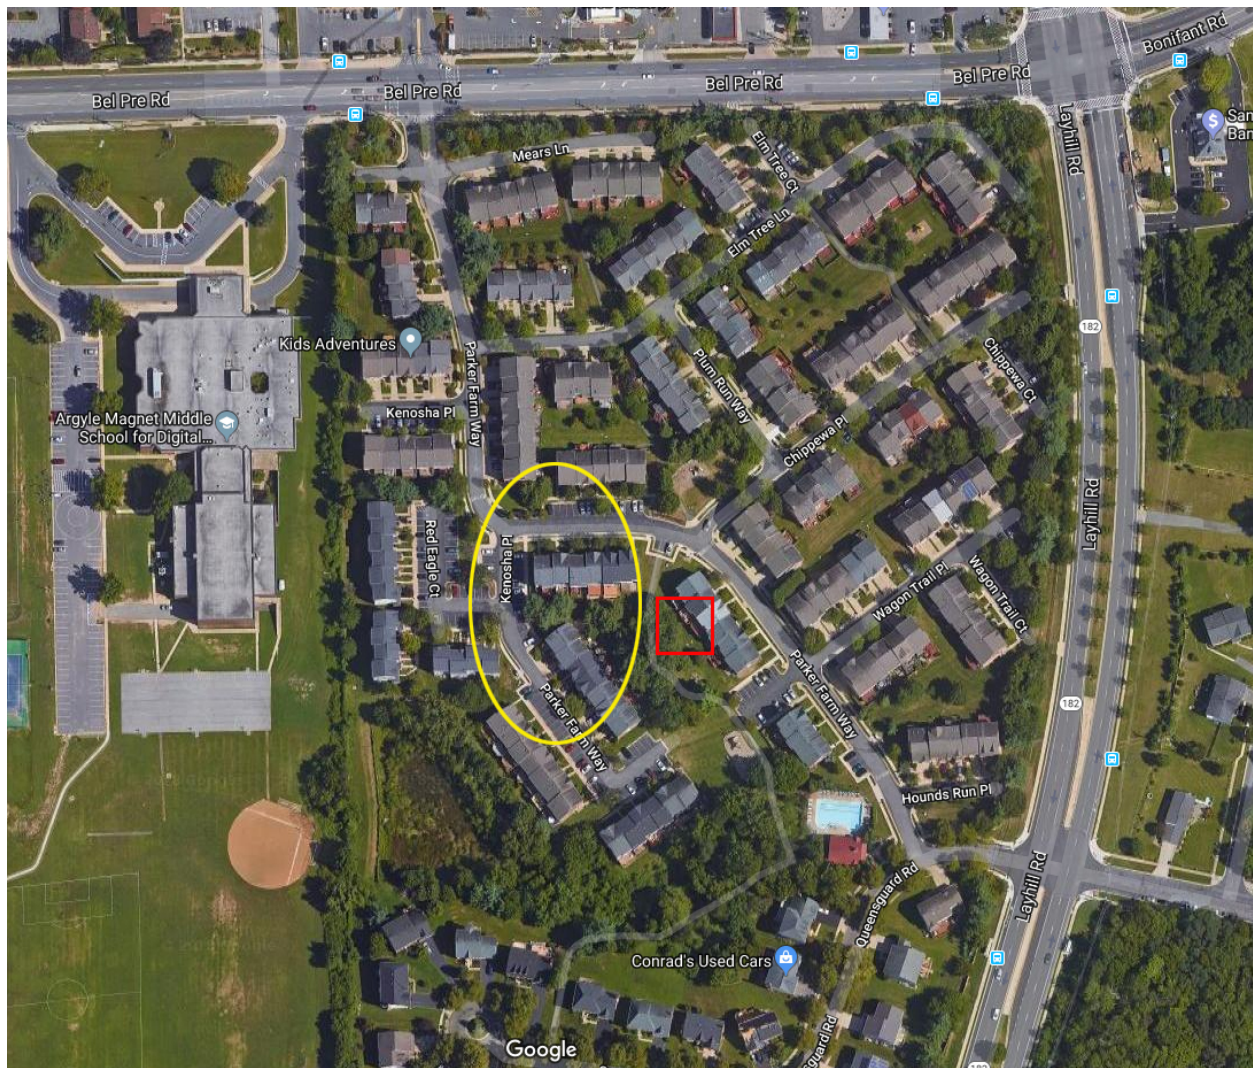

A reference in the Maryland Historical Trust document for the Parker Farm ([M: 27-13](#)) says the burial ground was empty by the time of the survey in 1976. No record of disinterment or relocation has been found. The home was demolished in 1980.
