Approximate no. of burials unknown Date range of burials unknown

Description (markers, materials, arrangement, landscaping, fence, paths and roads, etc.) No longer visible.

According to past resident of the Greenwood property, there was a slave cemetery on the hill about 300 feet east of the barn. According to the current owner,

there is a new house on the location where the cemetery is supposed to be. At one time, Greenwood was one of the largest slave-owning plantations in Montgomery County with about 100 slaves.
