Description (markers, materials, arrangement, landscaping, fence, paths and roads, etc.)

Only one family member is known to have been buried here - Dr. Turner Turner Wootton, Feb. 14, 1797 - Sept. 18, 1855. The cemetery was "destroyed" ^{or relocated} when the gas pipeline was installed in the late 1940s. In 1977, a Wootton descendent came to pick up the lone gravestone and take it to Poolesville. No base was evident at that time.
