Additional Information:

The location of the graveyard is described in an 1878 deed Hopkins family heirs used to sell the farm: "then leaving said line and running to exclude a grave yard [sic]" (Maryland Land Records, Liber EBP19 Folio 229). The graveyard is also shown on a 1956 Highway plat for the intersection of Columbia Pike and New Hampshire Ave (Right of Way Plat 12180).
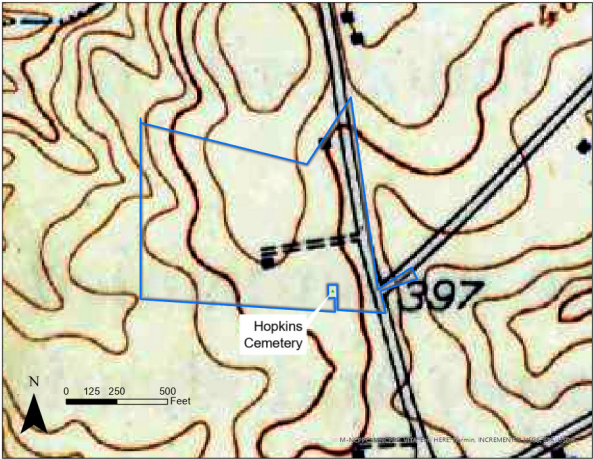

The 2018 Montgomery Preservation, Inc. volunteer survey originally mapped this location where historic USGS maps show the house was located. Review of historical dees and highway plats showed the correct location, now within the cloverleaf at Columbia Pike and New Hampshire Ave. No information is available about whether the graves were moved at the time of highway construction.
