**NOW, THEREFORE**, in consideration of the foregoing recitals, and for other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grantors hereby grant and convey to Grantee with Special Warranty of Title an easement (the "Easement") in the Property which is all of that certain lot or parcel of land known as 11011 Glen Road, Potomac, Maryland 20854, and described as Lot 22, Block "B", in the subdivision known as Piney Glen Farms, as delineated in Plat Book 151, Plat No. 17199, as filed among the Land Records of Montgomery County, Maryland, together with all of the rights and interests thereto belonging, which is situate, lying and being in Montgomery County, State of Maryland, and which is more particularly set forth in Exhibit A, attached hereto and incorporated herein. The definitions of the words "Real Estate," "Property" and "Structure" set forth in the Recitals are incorporated herein by reference.

2. Exhibit B consists of 1 pages and includes as page 1 a schedule (which is recorded with this Deed) describing the documents, photographs of selected portions of the Property, and any other items that are not recorded herewith but are nonetheless as fully and completely incorporated by reference into this Deed as though recorded herewith.

3. The terms of the Easement are as follows:

(A) Duration and Nature of the Easement. The Easement shall be perpetual in duration. The parties agree that it is and shall be considered an easement in gross and as such is inheritable and assignable and runs with the land as an incorporeal property interest in the Property enforceable by Grantee and its successors, transferees and assigns with respect to the Property and against Grantors and Grantors' heirs, successors, transferees and assigns, all of whom are collectively referred to herein as "Grantee" and "Grantors", respectively. The Easement is subject to any and all presently existing valid encumbrances, easements and rights-of-way upon the Property.

(B) Subdivision Prohibited. Grantors agree that they shall not cause, permit or suffer any subdivision or resubdivision of the Property for any purpose whatsoever. Division of the Property into two or more parcels of land, for any purpose, is prohibited. The Property shall remain a single lot.

(C) Public Access. Grantors have previously provided visual public access to the grounds of the Property by means of a horse trail/walking trail easement which runs across the Property. Additionally, Grantors hereby agree to make the Property open to the public

on two days per year, from 10:00 A.M. until 4:00 P.M., by prearrangement and appointment through the Grantee for inspection and viewing of the grounds and exterior structure; and to further permit the Grantee access to the grounds on such days or at other times by appointment as may be determined by the Grantor, to (1) photograph the grounds and exterior structure and to distribute such photographs to magazines, newsletters, or other publicly available publications, and (2) to arrange for educational organizations, professional architectural associations, and historic societies to study the Property and the exterior of the Structure.

(D) Maintenance and Administration. Grantors shall keep and maintain the Property in good, clean and safe condition.

(E) Inspection. Grantee shall have the right to enter the Property on reasonable notice to either of the Grantors for the purpose of inspecting the Property to determine whether there is compliance by the Grantors with the terms of the Easement.

(F) Enforcement. Upon any breach of the terms, conditions or restrictions contained in the Easement by either of the Grantors, their heirs, successors and assigns, the Grantee, its successors and assigns may exercise any or all of the following remedies:

(i) institute a suit to enjoin any breach or enforce any covenant by ex parte, temporary, and/or permanent injunction;

(ii) demand that the Property be restored promptly to the condition required by the Easement; and

(iii) correct any breach, and hold Grantor responsible for the resulting cost.

Grantee's remedies shall be cumulative and shall be in addition to any other rights and remedies available to Grantee at law or equity. If either of the Grantors, their heirs, successors and assigns, is found to have breached any of their obligations under the Easement, Grantors, their heirs, successors and assigns, shall jointly or severally reimburse Grantee for any costs or expenses incurred by Grantee, including court costs and reasonable attorneys' fees.

(G) Waiver. No failure on the part of Grantee to enforce any covenant or provision herein nor the waiver of any right thereunder by Grantee shall discharge or invalidate such covenant or provision of any other covenant, condition, or provision hereof, or affect the right of Grantee to enforce the same in the event of a subsequent breach or default.

(H) Notice. Any notice required to be given by the Easement shall be in writing and may be given by certified or registered mail, with postage prepaid and return receipt requested, if to the Grantors, addressed to the Grantors as follows:

Kristin and Timothy Junkin  
11011 Glen Road  
Potomac, Maryland 20854

or to the Grantors at such other address as the Grantors may from time to time designate by notice to the Historic Preservation Commission, or, if to the Grantee, addressed to the Grantee as follows:

Chairperson  
Historic Preservation Commission  
8787 Georgia Avenue  
Silver Spring, Maryland 20910-3760

or to the Grantee at such other address as the Chairperson of the Historic Preservation Commission may from time to time designate by notice to the Grantors. Any notice given in the foregoing manner shall be deemed to have been given upon receipt thereof, which shall be presumed to be two (2) days after the day notice has been deposited with the United States Post Office.

(I) Construction. The Easement is for the purpose of promoting and shall be construed to promote the purposes of Chapter 24A of the Montgomery County Code and of Section 2-118 of the Real Property Article of the Annotated Code of Maryland and to preserve the historic, architectural, cultural and scenic character of the Real Estate.

(J) Subsequent Conveyance. Grantors agree that the restrictions of the Easement will be inserted, verbatim or by express reference, in any subsequent deed or other legal instrument by which the Grantors' fee simple title to the Real Estate or any other possessory interest in the Real Estate, or any part thereof, is divested or conveyed.

(K) Transfer of Ownership. The Grantors agree for themselves, their personal representatives, heirs, successors, transferees and assigns, to notify the Grantee in writing of the names and addresses of any party to whom the Real Estate, or any part thereof, is being transferred before or within thirty (30) days of the time the transfer is consummated.

(L) Conservation Purposes. Grantee agrees that it will hold this Deed exclusively for conservation purposes, i.e., that it will not transfer this Deed whether or not for consideration. However, subject to the provisions of any applicable federal law, Grantee may assign or transfer its interest in this Deed to a governmental unit or organization which qualifies at the time of the transfer as an eligible donee of this Deed under any pertinent provisions of federal law, including but not limited to the Maryland Historical Trust, which will continue to hold this Deed exclusively for conservation purposes.

(M) Property Right. Grantors agree that the donation of this Deed gives

rise to a property right, immediately vested in the Grantee, with a fair market value equal to the proportionate value that this Deed at the time of the donation bears to the value of the Property as a whole.

(N) Extinguishment. This Easement may be extinguished by a judicial proceeding if an unexpected change in the conditions applicable to the Real Estate, such as but not limited to a casualty which substantially destroys the Structure, makes it impossible or impractical to continue the use of the Easement for conservation purposes. In the event of such judicial extinguishment of this Easement, and upon a subsequent sale, exchange or involuntary conversion of the Real Estate, or any portion thereof, Grantee shall be entitled to a portion of the proceeds of the sale, exchange or involuntary conversion which are allocated to the Property (as defined herein and which does not include the value of any improvements) equal to the proportionate value that the Easement, at the time of its donation, bore to the value of the Property as a whole at that time, but which in no event shall be less than five percent (5%) of the value allocated to the Property at the time of such sale, exchange or involuntary conversion, and any and all compensation so received by the Grantee shall be used by the Grantee in a manner for conservation purposes consistent with this Easement.

(O) Interpretation. This Deed shall be interpreted under the laws of the State of Maryland and Montgomery County, Maryland resolving any ambiguities and questions of the validity of specific provisions so as to give maximum effect to its historic preservation purpose.

(P) Perpetual Duration. The Easement created by this Deed shall be a servitude running with the land in perpetuity. Every provision of this Easement that applies to the Grantors or Grantee shall also apply to their respective agents, heirs, executors, administrators, assigns, and all other successors in interest.

(Q) Responsibilities of Grantors Not Affected. Other than as specified herein, this Easement is not intended to impose any legal or other responsibility on the Grantee, or in any existing obligation of the Grantors as owners of the Real Estate.

To have and To Hold, this Deed of Easement unto the Grantee, its successors and assigns, forever.

In Witness Whereof, the Grantors and Grantee intending to legally bind themselves, have set their hands and seals on the date first written above.
