SUBJECT: Historic Area Work Permit #1029036: Accessory buildings (hay barn and corn crib) deconstruction

The Montgomery County Historic Preservation Commission (HPC) has reviewed the attached application for a Historic Area Work Permit (HAWP). This application was **Approved with seven (7) conditions** at the May 24, 2023 HPC meeting.

- 1. All structural framing members shall be photographed, numbered, and catalogued. All stone to be reused shall be photographed in situ.**
- 2. The applicant and their timber framing consultant/general contractor shall consult with historic preservation staff and submit recommendations as to which historic building materials are suitable for reuse and which must be replicated. All replications shall be in kind unless alterations are approved by historic preservation staff due to construction feasibility or other issues.**
- 3. A final reframing and reconstruction plan shall be submitted as a new HAWP application. So long as the buildings are being reconstructed in generally the same locations and in conformance with Condition #2 above, this HAWP may be approved by historic preservation staff.**
- 4. All framing members and other materials to be salvaged and reused shall be stored on site, on a raised gravel bed, or other suitable surface. The location of the storage area shall be the same as shown in this HAWP application.**
- 5. The applicant shall submit to historic preservation staff samples of any new stone required to rebuild the foundations for a review of material and visual compatibility as part of the HAWP for reconstruction. Details regarding the composition, color, and application techniques for any new mortar shall be submitted as part of the HAWP for reconstruction.**
- 6. The final specifications for new metal roofing shall be submitted as part of the HAWP for reconstruction. The roof may be standing seam metal, with no more than a 1" seam, to be hand turned in the field, or the roof may be made from galvanized sheet metal.**
- 7. Both the hay barn and corn crib shall be reconstructed prior to receipt of a Certificate of Use and Occupancy for the principal dwelling on the property. Historic Preservation staff and Department of Permitting Services staff shall verify both buildings have been reconstructed prior to the release of the Certificate of Occupancy by the Director of the Department of Permitting Services.**
