RE: 7216 Carroll Avenue, Takoma Park, MD
Takoma Park Master Plan Historic District (#37/003-000A)
Historic Preservation review pursuant to County Code Chapter 24A-10

Dear Mr. Doley:

The above-referenced proposal has been received and reviewed. Your proposal is to demolish the brick parapet at the commercial building at 7216 Carroll Avenue and install a new parapet matching the dimensions, size, materials, and finish.

It is my opinion that this project does **not** constitute a substantial alteration to the historic resource and is an **in-kind** replacement. Therefore, I find that no further review under the Montgomery County historic preservation ordinance (Chapter 24A-10) is warranted. A Historic Area Work Permit (HAWP) is not necessary, unless changes are made to the current plans. Please secure all necessary building permits from the Department of Permitting Services.

This project is eligible for the County Historic Preservation Tax Credit. More information about the project is available here: <https://montgomeryplanning.org/planning/historic/tax-credit-program/> or by contacting Michael Kyne in our office at Michael.Kyne@montgomeryplanning.org

If you have any questions or need to discuss this matter, please feel free to contact me at 301-563-3408 or dan.bruechert@montgomeryplanning.org.

Sincerely yours,

Dan Bruechert
