**RE: 4600 Waverly Ave., Garrett Park, Garrett Park Historic District (30/13-000A); Historic Preservation review pursuant to County Code Chapter 24A-6**

Ms. Matthews:

The above-referenced proposal has been received and reviewed. This project involves the replacement of a door on a Town maintenance building, exterior masonry repairs and replacements, and power washing the exterior. This work was submitted as Historic Area Work Permit (HAWP) #1094361.

I have reviewed the submitted photographs, description of the work, and material specifications. Based on this review, it is my opinion that this project does **not** constitute a substantial alteration to the historic resource, as the work is either repair or a replacement in-kind. Therefore, I find that no further review under the Montgomery County Historic Preservation Ordinance (Chapter 24A) is warranted.

If you have any questions or need to discuss this matter, please feel free to contact me at 301-563-3408 or [dan.bruechert@montgomeryplanning.org](mailto:dan.bruechert@montgomeryplanning.org).

Sincerely yours,

Dan Bruechert
