RE: 1615 Noyes Dr., Silver Spring
Woodside Locational Atlas Historic District (#36/004)
Historic Preservation review pursuant to County Code Chapter 24A-10

Dear Property Owner:

The above-referenced proposal has been received and reviewed. The project located at **1615 Noyes Dr., Silver Spring**, which is located in the Woodside Locational Atlas Historic District, involves the installation of a basement egress window and window well. This application was applied for residential building permit #1114434.

It is my opinion that this project would **not** constitute a substantial alteration to the historic resource. Therefore, I find that no further review under the Montgomery County Historic Preservation Ordinance (Chapter 24A-10) is warranted. A Historic Area Work Permit (HAWP) is not necessary, unless changes are made to the current plans. Please secure all necessary building permits from the Department of Permitting Services.

If you have any questions or need to discuss this matter, please feel free to contact me at 301 563-3408 or dan.bruechert@montgomeryplanning.org.

Sincerely yours,
