RE: HAWP - American Legion Hall

Dear Ms. Ennis:

At its December 1, 1988 meeting, the Historic Preservation Commission had planned to review the Historic Area Work Permit for the work done at the American Legion Hall; however, as there were no pictures or graphic designs, the HPC deferred action at that time. The record remains open on this application.

We would appreciate your contacting the individuals in charge of the American Legion Hall to obtain pictures and plans of the work. The HPC staff has been instructed to issue the permit retroactively if suitable documentation is submitted.

Please feel free to contact the staff at 217-3625 with any questions.

Sincerely,

Steven Karr, Chairman  
Historic Preservation  
Commission
