MEMORANDUM

December 10, 1984

TO: David Wheeler
Department of Environmental Protection

FROM: Bobbi Hahn *BH*
Historic Preservation Commission

SUBJECT: Substantial Alteration, 22 Montgomery Avenue, Takoma
Park

The Historic Preservation Commission and the Takoma Park Local Advisory Committee have reviewed the proposal of Mr. and Mrs. Hoefner, 22 Montgomery Avenue, Takoma Park atlas historic district (#37/3), to install a bow window on the front facade of their 1950's home (picture attached). This work was found not to constitute substantial alteration. The Commission, therefore, has no objection to the issuance of a permit by the Department of Environmental Protection.
