Ms. Shirley True
7202 Maple Avenue
Takoma Park, MD 20910

Dear Ms. True:

Based on our phone discussions earlier this week and after consulting with the Takoma Park Local Advisory Committee, I have determined that the following work will not substantially alter the exterior features of your house at 7202 Maple Avenue, a ca. 1920 bungalow which is located within the Takoma Park Historic District:

1. Installing aluminum guttering on the north side of the house to match that on the south side;
2. Replacing cedar shingles to the siding where necessary;
3. Constructing a 9'x 6' concrete pad under the steps off of the rear porch.

You may proceed with this work as approved.

Sincerely,

A handwritten signature in cursive script that reads "Bobbi Hahn".

Bobbi Hahn
