the property was offered for sale in June of 1912. It was then described as 18,844 square feet improved by a "commodious new nine room dwelling with water, electric lights, bath, ample shade, etc." It was further described as being in a very desirable suburban area within three minutes walk of the "steam cars" and about five minutes walk of the Forest Glen and Washington Electric Cars (Equity #2831, Judgement Record 12/301). The house was sold in July of 1912 and then passed through a succession of owners. It was the home of James E. Benedict, Jr. and his wife, Frances for many years, from 1918 until the death of James in 1969. The house was purchased by the present owners, Boren and Lynn Chertkov in November of 1970.

Next door and up on the hill is # 9308, an Italiante style frame residence. The main part of the house is a two story, three bay, flat roofed block. At the eastern elevation is a two and a half story square tower with a hipped roof. The house has a strong, bracketed cornice line as typical of Italiante structures. A screened wooden porch runs the length of the facade. The house is otherwise void of ornamentation due in part to the fact that it has been completely covered with asbestos shingles. For decades this was the home of Center H. and Annie E. Lawrence. They came from Washington, D.C., purchasing the property, the original lot #5 of Linden, in December of 1874 from Sophronia Dille (Deed EBP 13/59). In May of 1935 the house was convayed to the present owner, Mary Louise Jones.

#9321 is an early twentieth century residence with a single story main block with a two story extended bay to the south side. On the facade of the main block is a front porch supported by rounded columns with a modern, metal balustrade. At the northern elevation is a single story, squared extended bay. To the rearmis a two story shed roof wing. The entire house is now covered with asbestos shingles.

#2215 at the corner of Warren Street and Salisbury Road is an early twentieth century residence, two stories high and three bays wide with a gable roof with a center gable. A porch, supported by battered wooden posts and balustrade runs the length of the facade. To the rear are a number of additions. At the west elevation is a side entry with porch. The house appears to have undergone a number of changes and additions including the alteration of windows (on the second story facade) and the placement of asbestos shingles over the exterior.

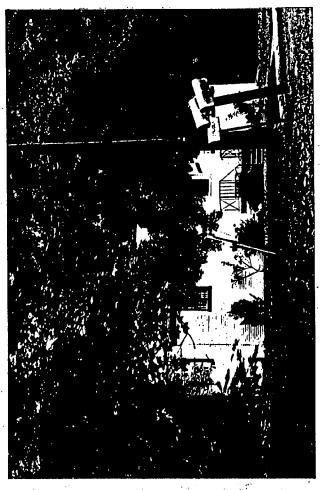

#2209 is a well maintained Victorian residence. It has a two story frame, rectangular main block with a gable roof. At the center facade is a two bay wide, two story pavillion with a center gable roof. At the center gable the eves are bracketed and there is decorative stick work in the form of wooden spindles intersecting at right angles. A flat roofed wooden porch, supported by four squared posts, runs the length of the pavillion, covering the entry way. At the eastern side of the facade is a single story extended bay. The house is lit by two

MEMORANDUM

February 2, 1989

TO:

Sally Stock

DEP

FROM:

Annette van Hilst, Chief

Community Planning and Development

SUBJECT:

Historic Area Work Permits for the following:

2300, 2302, 2304 Warren Court (1 permit) 2306, 2308, 2310 Warren Court (1 permit)

Attached please find copies of the Historic Area Work Permits approved by the Historic Preservation Commission. The six (6) houses are located in the proposed Linden Historic District (#36/2) and the HPC determined that the work would not constitute substantial alteration. The approved plans are dated September 20, 1988 and prepared by Paul G. Shoemaker, Designer. The approved site plan is based on the Loiederman Associates dated June 1987, and is prepared by Paul Shoemaker. The HPC indicated that the approval does not include fence work.

Since the original permit and the plans were given to Mr. Shoemaker to transmit to DEP, this office only has one copy of the plans. I will contact Murray and Sons and request them to provide you with the approved plans. Prior to the plans being submitted to you, they are to be delivered to this office so that they can be compared with the approved plans and we will sign off on them indicating that they are duplicates of the original plans. Murray and Sons will then deliver them to you.

If you have any questions, please contact Jane Miller at 217-3620.

cc: Murray and Sons

Sidney Kramer County Executive (301) 217-2500 TTY 279-1083

> Ms. Molly Murray Murray & Sons, Inc. 6422 Western Avenue Chevy Chase, MD 20815

Dear Ms. Murray:

I have received your September 12, 1988 letter describing your meeting with the Montgomery County Historic Preservation Commission and am deeply distressed by the allegations expressed therein.

I have asked Richard Ferrara, Director of the Department of Housing and Community Development, to look into this matter more thoroughly and report back to me. In addition, a copy of your letter will be forwarded to Steven Karr, Chairman of the Historic Preservation Commission, requesting a response to your complaints.

Please be assured that the situation will be thoroughly explored and that I will respond in greater detail at a later date.

Sincerely,

Sidney Kramer County Executive

SK/rap

Sidney Kramer County Executive (301) 217-2500 TTY 279-1083

> Mr. Steven Karr, Chairman Montgomery County Historic Preservation Commission 9 Enid Court Potomac, MD 20854

Dear Mr. Karr:

Attached is a copy of a deeply disturbing letter from Molly Murray regarding a meeting with the Historic Preservation Commission.

As the allegations expressed are very serious in nature, I have requested that Richard J. Ferrara, Director, Department of Housing and Community Development, look into this situation further. In addition, I would appreciate your response to this matter on behalf of the Historic Preservation Commission; the individual commissioners mentioned in the letter may wish to respond as well.

So that we may clarify this situation as quickly as possible, your prompt response is appreciated.

Sincerely,

Sidney Kramer County Executive
