 Project Number: 35/13-02H Staff: Robin D. Ziek

PROPOSAL: Add 2nd story above existing 1-story addition

RECOMMEND: Approval with conditions:

1. The new shutters will be operable, and sized to fit the opening.

PROJECT DESCRIPTION

SIGNIFICANCE: Contributing Resource in the Chevy Chase Village Historic District
STYLE: Bungalow
DATE: 1916 – 27

This side-gable bungalow has a large two-story addition to the rear, and a one-story addition added to that. This is a corner lot, so all sections of the house are visible from the public right-of-way.

PROPOSAL

The applicant would like to add a 2nd-story above the existing one-story addition at the back of the house. The footprint would remain unchanged. Windows would be added at the 2nd floor level above each of the first floor windows. The new roof would hip, to match the existing roof line. The applicant would match all the existing materials, although the new wood windows will be thermally glazed, simulated true-divided light.

STAFF DISCUSSION

The proposed work is at the rear of the house, although it will be visible from the road. The house is considerably larger than the original bungalow, and this addition will add to the existing massing. The proposed addition, however, is small, and the design is modest. Staff notes that the existing shutters appear to be operable, and it is recommended that the new shutters be sized to fit the opening, and that they be operable.

STAFF RECOMMENDATION

Staff recommends, with the following Condition, that the Commission find this proposal consistent with the purposes of Chapter 24A-8(b)2:

The proposal is compatible in character and nature with the historical, archeological, architectural or cultural features of the historic site, or the historic district in which an historic resource is located and would not be detrimental thereto or to the achievement of the purposes of this chapter;

and with Secretary of the Interior's Standards for Rehabilitation #2:

The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.

CONDITIONS:

1. The new shutters will be operable, and sized to fit the opening.

and subject to the general condition that **the applicant shall present 3 permit sets of drawings to HPC staff for review and stamping prior to submission for building permits (1 set for HPC files)** and that, after issuance of the Montgomery County Department of Permitting Services (DPS) permit, the applicant arrange for a field inspection by calling the DPS Field Services Office at (301) 217-6240 prior to commencement of work and not more than two weeks following completion of work.

**THE FOLLOWING ITEMS MUST BE COMPLETED AND THE
REQUIRED DOCUMENTS MUST ACCOMPANY THIS APPLICATION.**

1. WRITTEN DESCRIPTION OF PROJECT

- a. Description of existing structure(s) and environmental setting, including their historical features and significance:

THE RESIDENCE LOCATED AT 20 E KIRKE STREET
RESIDES IN THE HISTORIC DISTRICT OF CHEVY
CHASE VILLAGE. THE EXISTING HOUSE IS TWO
STORIES WITH ALUMINUM SIDING AND ASPHALT
SHINGLE ROOF. THE HOUSE IS LOCATED ON A
CORNER LOT

- b. General description of project and its effect on the historic resource(s); the environmental setting, and, where applicable, the historic district:

THE PROPOSED PROJECT INCORPORATES A SECOND FLOOR
ADDITION ON THE RIGHT SIDE OF THE HOUSE. WE
PLAN TO MATCH SIDING, WINDOWS, SHUTTERS AND
ROOF SHINGLES.

2. SITE PLAN

Site and environmental setting, drawn to scale. You may use your plat. Your site plan must include:

- the scale, north arrow, and date;
- dimensions of all existing and proposed structures; and
- site features such as walkways, driveways, fences, ponds, streams, trash dumpsters, mechanical equipment, and landscaping.

3. PLANS AND ELEVATIONS

You must submit 2 copies of plans and elevations in a format no larger than 11" x 17". Plans on 8 1/2" x 11" paper are preferred.

- Schematic construction plans**, with marked dimensions, indicating location, size and general type of walls, window and door openings, and other fixed features of both the existing resource(s) and the proposed work.
- Elevations (facades), with marked dimensions, clearly indicating proposed work in relation to existing construction and, when appropriate, context. All materials and fixtures proposed for the exterior must be noted on the elevations drawings. An existing and a proposed elevation drawing of each facade affected by the proposed work is required.

4. MATERIALS SPECIFICATIONS

General description of materials and manufactured items proposed for incorporation in the work of the project. This information may be included on your design drawings.

5. PHOTOGRAPHS

- Clearly labeled photographic prints of each facade of existing resource, including details of the affected portions. All labels should be placed on the front of photographs.
- Clearly label photographic prints of the resource as viewed from the public right-of-way and of the adjoining properties. All labels should be placed on the front of photographs.

6. TREE SURVEY

If you are proposing construction adjacent to or within the dripline of any tree 6" or larger in diameter (at approximately 4 feet above the ground), you must file an accurate tree survey identifying the size, location, and species of each tree of at least that dimension.

7. ADDRESSES OF ADJACENT AND CONFRONTING PROPERTY OWNERS

For **ALL** projects, provide an accurate list of adjacent and confronting property owners (not tenants), including names, addresses, and zip codes. This list should include the owners of all lots or parcels which adjoin the parcel in question, as well as the owner(s) of lot(s) or parcel(s) which lie directly across the street/highway from the parcel in question. You can obtain this information from the Department of Assessments and Taxation, 51 Monroe Street, Rockville, (301/279-1355).

PLEASE PRINT (IN BLUE OR BLACK INK) OR TYPE THIS INFORMATION ON THE FOLLOWING PAGE.
PLEASE STAY WITHIN THE GUIDES OF THE TEMPLATE, AS THIS WILL BE PHOTOCOPIED DIRECTLY ONTO MAILING LABELS.
